

“WHAT IS IT?”

“It’s an Unfranchise”

It’s similar to a Franchise without the large start up costs, where you can start a business working part-time, 10-12 hours a week, and create a substantial income

- Or -

“It’s an Unfranchise”

We have identified 14 vertical markets, where billions of dollars are being spent. We help people identify their interest and teach them how to build a successful business around it working part time or until it replaces their present income.

- Or -

- Market America is a Product Brokerage similar to a Home Depot or Costco that leverages Internet Marketing, 1:1 Marketing and Mass Customization.

- - Or -

- We are similar to Amazon.com but with people power. We’re changing the way people shop on the internet.

- - Or -

- We’re changing the way people shop on the internet. We’ve partnered with almost every major fortune 500 company and top names you probably already shop at like Nordstrom’s, Wal-Mart, Dell Computer, Disney, E-Bay . . . We were recently featured nationally in the September, 2005 issue of Success at Home magazine in Borders Books. I’m really looking forward to meeting with you.

- - Or -

- My husband and I are in a unique situation. We are in the process of interviewing 10 people and looking to work with just 2 who will make a six figure income working part-time , 10-15 flexible hours a week over the next year, 1-1/2 to 2 years.

So what do you do if you don’t know “What is it?”

You develop your ‘What’ from your ‘Why’
